

Banksia

Palliative Care Service

Banksia is proud to present the upcoming:

Palliative Care Virtual Education Sessions

Banksia's comprehensive interactive virtual palliative care education sessions have been developed to provide all attendees with greater understanding and knowledge of general palliative care principles. Attendees are able to attend single or multiple sessions to help enhance their palliative care skills and knowledge.

Session content is relevant for Registered Nurses, Personal Care Attendants, Aged Care Facility staff, Allied Health Care professionals and any person in the general community with an interest in palliative care.

The course is facilitated by highly trained and experienced Educators, with qualifications and expertise in palliative care.

Book now to secure your place.
